of the Town, and that the Water Commissioners are authorized to take all other action necessary to carry out the project.

35. To see if the Town will authorize the Board of Selectmen to turn over to the Recreation Committee the responsibility of supervision and operation of Shattuck Park at Thorndike Pond for the purpose of supervision, control, public safety and maintenance and to raise and appropriate the sum of five thousand six hundred dollars ($5,600) for said operation and supervision or act in any way relating thereto.

36. To see if the Town will vote to adopt the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated. (By ballot)

37. Shall we adopt the provisions of RSA 72:37 for the Exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of $15,000. (By ballot) (By petition)

38. Are you in favor of Amendment No. 1, 1986, to the Jaffrey Land Use Plan as proposed by the Planning Board? This amendment establishes an Occupancy Permit for the Town of Jaffrey. (By ballot)

39. Are you in favor of Amendment No. 1, 1986 to the Jaffrey Mobile Home Park Ordinance as proposed by the Planning Board? This amendment clarifies the Language of the ordinance and removes the cap on penalties for violations. (By ballot)

40. Are you in favor of Amendment No. 2, 1986, to the Jaffrey Land Use Plan as proposed by the Planning Board? This amendment establishes a Sign Ordinance for the Town of Jaffrey. (By ballot)

41. Shall the Town accept the provisions of RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district together with the towns of Chesterfield, Harrisville, Marlborough, Nelson, Roxbury, Surry, Swanzey, Troy and Westmoreland and the city of Keene, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the Selectmen.

42. Are you in favor of the following amendment to the Jaffrey Land Use Plan? To re-zone from "Industrial District (west) Moore's Garage" to "General Business", the following described land: X "Centered on the RR tract (sic) 300' S. of Main Street. Thence running southerly along the east side of the Contoocook River a distance of 600'. Thence east from the river to the railroad tracks. Thence north to the point of the beginning."

The Planning Board disapproves of this article. (By ballot) (By petition).

43. To take up any other business that may properly come before the meeting.

Given under our hands and the seal of the Town of Jaffrey this day of February, 1986.

WARRANT ARTICLES

Art. 34 (Town Manager)	Yes - 373
	No - 403
Art. 36 (Planning Board)	Yes - 579
	No - 129

The Town Meeting was adjorned at the closing of the polls until 10:00 A.M. March 16, 1985 for the business session.

Respectfully submitted,

Barry E. Sasner, Town Clerk

The hour of 10:00 a.m., March 16, 1985 having arrived, the Moderator, Bernard J. Hampsey, Jr., reconvened the meeting for the conduct of the business portion.. The salute and pledge to the flag was said. Father Smith, Pastor of St. Patricks offerred the invocation. Bernard Hampsey commented that St. Patricks Church ia celebrating its 100th anniversary tomorrow, fittingly on St. Patricks Day.

Bernard Hampsey continuedthe meeting explaining that the Town had a number of articles which will require careful attention, and we will do the best we can to give everyone a chance to be heard. The persons who will be assisting the Moderator this morning on the microphone system, we are using 3 microphones instead of 2, will be Teddy Ryan, Bob Lawn, and Frank Clark. We ask that when you are recognized, please stand as it will be easier for voices to project and for all of us to see you and your name to be recorded. We would ask that you speak directly into the microphone. It works better that way. The meeting is being tape-recorded. We are also having persons assisting us with any petition votes counting, so-called. Joe Manning has offered to help me and on this side Frank Pinkham will also be helping. Only voters of the Town of Jaffrey will be allowed to speak and vote unless otherwise recognized by the Moderator. There may be reasons for non voters to participate, one exception will be Town Counsel, and I expect that there will be one occasion at least where we will be hearing from Town Counsel David Tower on one or more issues, and he will be recognized for that purpose. We do have a few visitors with us today: Mr. Lyle from Keene State, who is always at our Town Meetings, and he is here today individually as a voter and a participant and also has brought with him a small number of students from Keene State College who are in the advanced recording class. We welcome them to our meeting and benefit/from their attendance. In the event that we have Yes - No secret ballots, and there will be at least one, we'll follow the procedure used at the Jaffrey Town Meeting. It seems to have worked in the past, and I have discussed it with the supervisors and they agreed, so when that occurs, we'll have you go down the aisle to the microphone on my right, go by their table, announce your name

and they will give you a ballot. At that time we will determine what color ballot you are going to be using. You will be handed the ballot, and then you will be voting. The procedure will be run by my assistant moderator, Phil Cournoyer, and I would ask that you please hand your ballot to him, and he will put it in the ballot box. He will supervise the counting, and will supervise me throughout the meeting as we go along.

We do have a request with more than five (5) signatures submitted in advance for a secret Yes - No ballot on the Budget Article 3. The way that it is worded it will require that the Vote on the budget itself as well as any amendment to the budget will be by secret Yes - No ballot. If there there are no amendments, that's no problem. But if there is an amendment, the amendment itself will have to be voted up or down by Yes - No ballot as well as the Budget Article itself. It is a proper request; I have the original here, and will hand to our Town Clerk, Barry Sasner to keep for us.

When we move through the Articles and eventually get to Article 21, which has to do with sewer rates, we'll continue the meeting. We will take a brief pause in the Town Meeting, and recess into a brief public hearing on that sewer article. We're doing that to comply with the vote taken at a prior meeting of the Town to require a public hearing before action is taken on sewer rates.

There are a number of resolutions to be submitted, and in keeping with the custom we decided upon a number of years ago, we do them at the beginning of the meeting when everyone is here, rather than at the end.

The Moderator then called Don Sawtelle to come forward to present the first Resolution. Mr. Hampsey stated that as the resolution is read and adopted, please hand them back to Barry Sasner.

"This past December the Fire Dept. lost a very important member after a long bout with cancer. Francis Bourgois served the department for 36 years, the last 10 as assistant chief. His dedication to the department was far beyond the call of duty. Francis was a man of few words but his presence was made very evident by his mechancial ingenuity. He

will be saddly missed by his family, friends and the Jaffrey Fire Dept. Whereas Francis Bourgeois served the Jaffrey Fire Dept. for 36 years, be it resolved that this Resolution be made part of the official record of this meeting."

Mr. Hampsey said that that was the most fitting resolution for a man who was a genius in many many ways, both at his employment and at the Fire Dept. This man was truly a giver.

The Moderator then called on Frank Pinkham to come forward. Mr. Pinkham is the Chairman of the Jaffrey Conservation Commission. He will present the next Resolution.

"During the month of February we were all saddened by the passing of Arman DelRossi, a devoted citizen of the Town of Jaffrey. Del, as he was affectionately known by the last 4 years by the Conservation Commission, was also active in school census work and volunteered to study acid rain in New Hampshire. He had the rare combination of being able to express his own mind and yet was a devoted team player. When members were needed, he was there. Be it resolved that the sincere gratitude of the Town be expressed at this meeting, and that this resolution be made part of the official record of this meeting. Be it further resolved that a copy of this resolution be sent to Mary DelRossi, his wife."

The next Resolution will be by our Chairman of the Board, Bob Chamberlain.

"During the 1984-1985 basketball season, the Town of Jaffrey and the Town of Rindge watch with excitement as both Conant Oriole teams got off with a fast start. They rewarded us time after time with wins that built up a combined record of 43 - 1, as they both became Class M State Champions in 1985. This set a new first for the State of N. H. with teams from the same high school winning the Class M. State Championship simulanteously. Be it resolved that the sincere gratitude of the Town of Jaffrey be expressed to the Conant Oriole team and their coaches, Jim Adams and Steve Seymour ,and that this resolution be made part of the official record of the Town Meeting. Be it further resolved that a copy of this resolution be sent to Conant High School, the coaches,

Jim Adams and Seymour and the Town of Rindge."

The moderator recognized Ken Saunders for the purpose of presenting a resolution:

"This resolution is for Harold Turner. It goes without saying that everyone is Jaffrey knows Harold. Harold has worked for over 40 years for the Dept. of Public Works and has done everything from laboring,to operating the grader, to running the sanitary sewerage treatment facility, and commanding the parks and cemeteries division of the Public Work. We all miss him.

WHEREAS, Harold L. Turner has served the Dept. of Public Works for the Town of Jaffrey for over 40 years, be it resolved that the sincere gratitude of the Town be expressed at this meeting, and that this resolution be made part of the official records of this meeting. Be it further resolved that a copy of this resolution be sent to Mr. Turner."

The moderator recognized Richard Grodin for the purpose of presenting a resolution:

"This month Archie Coll, Jr. completes 8 years of service on the Jaffrey Planning Board, 3 of those years, he was Chairman of the Board; 4 years on the Jaffrey Road Study Committee. As you all know, Archie is a farmer, and for him an 18 hour day is not the exception, it is the rule. Yet he always had time to both lead the Planning Board and also to listen to anyone who wanted to call him no matter what time it was and speak to him about planning matters. The purpose of this resolution then is to acknowledge with gratitude his capabilities and his sincere devotion to his volunteer service.

WHEREAS, Archie Coll, Jr. has faithfully served the Town of Jaffrey as a member of the Planning Board for a period of 8 years, during which time he was Chairman of the Board for 3 years and a member of the road study committee for 4 years, be it resolved that the sincere gratitude of the Town be expressed at this meeting, and that this resolution be made a part of the official records of the meeting, and be it further resolved

that a copy of this resolution be given to Mr. Coll."

The Moderator recognized Frank Sterling for the purpose of presenting a resolution:

"It is rewarding but not always easy to be a member of the Jaffrey Board of Adjustment. And no one understands this fully until they have been its chairman. Therefore, the Board wishes to present this resolution.

WHEREAS, Steven Wells has as Chairman of the Jaffrey Board of Adjustment devoted his time and talent skillfully and tactfully guiding the Board and those seeking relief from it, be it resolved that the sincere gratitude of the Town be expressed at this meeting, and that this resolution be made a part of the official records of this meeting. Be it further resolved that a copy of this resolution be sent to Mr. Wells."

Adopted by Acclamation

The Moderator recognized the Chairman of the Budget Committee, Jeanne LaBrie, for the purpose of presenting a resolution:

"The Town of Jaffrey is fortunate in having many "unsung heroes"- on the Planning Board, Conservation Commission, Board of Adjustment, the Recreation Committe, the Budget Committee - all of these people serve without pay, and serve many many hours, and with very little fanfare. Joseph Manning has been a member of the Budget Committe for for the past 5 years, and has indicated that he was not going to accept reappointment to this committee.

WHEREAS, Joseph Manning has served the Town of Jaffrey as a member of the Budget Committee for the past 5 years, be it resolved that the sincere gratitude of the Town be expressed at this meeting, and that this resolution be made a part of the official records of the meeting. Be it further resolved that a copy of this resolution be sent to Mr. Manning..

THE STATE OF NEW HAMPSHIRE

SPECIAL TOWN MEETING WARRANT
(RSA 39:3, 39:4)

To: The Inhabitants of the Town of Jaffrey, in the County of Cheshire, and State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium at Conant High School in said Jaffrey for a Special Town Meeting on the 8th day of June, 1985, at ten o'clock in the forenoon, to act upon the following subjects:

1. To see if the Town will vote to adopt a SEWER USER CHARGE SYSTEM as proposed by the Selectmen and printed as follows:

DRAFT PROPOSAL

TOWN OF JAFFREY, NEW HAMPSHIRE

SEWER USER CHARGE SYSTEM

ARTICLE 1

BACKGROUND

Sec. 1 - Legislation

Public Law 92-500 (The Federal Water Pollution Control Act Amendments of 1974) authorized the award by the federal government of grants for a share of the cost of constructing municipal wastewater treatment works. The award of a grant is subject to the regulations promulgated by the U.S. Environmental Protection Agency as published in the Federal Register from time to time (principally FR Vol. 38, No. 161, 8/21/73, pp. 22524-7; No. 90, 5/8/75; 20232-53).

Sec. 2 - Obligations of Grantee

The applicant for a federal grant, the Town of Jaffrey, by and through its Board of Selectmen, must fulfill the following user charge related requirements. Development of a plan and schedule of implementation, subject to Article II of this ordinance and approved by the Regional Administrator, for a system of user charges to assure that each recipient of wastewater treatment services within the applicant's service area will pay its proportionate share of the costs of operation and maintenance of all waste treatment services provided. "Operation and maintenance" includes repair and replacement costs necessary to maintain capacity and performance of the treatment works throughout its designated service life.

SEC. 3 - Definitions

a. Cost of Operation and Maintenance. This cost shall be all costs associated with the operation, maintenance, repair, and replacement necessary to maintain capacity and performance of the sewage works throughout its service life in accordance with the terms of the Permit issued to the town under the terms of the Federal National Pollutant Discharge Elimination System.

b. Capital Cost. This cost shall be all costs associated with the extension, expansion, and reconstruction of the sewage works beyond its existing limits of service or useful life. These costs shall include the costs associated with the planning, design, and construction including principle and interest of any debt incurred to pay such costs.

SEC. 4 - Authority to Establish Sewer User Charge Rate

The Board of Selectmen shall review the revenues anticipated from and the costs to be recovered by user charge assessments at least annually and shall calculate and establish the sewer user charge as necessary and appropriate to generate sufficient revenue and apply and excess revenues.

SEC. 5 - Notice of Sewer User Charge Rate Change

Each sewer user, in conjunction with receiving the regular bill for the periodic assessment of sewer user charges shall be notified of the prevailing sewer user charge rates.

The Board of Selectmen shall cause to be inserted into or upon the regular bill for the periodic assessment of sewer user charges a notice of the need to increase the prevailing sewer user charge rates whenever such an increase is necessary and appropriate.

SEC. 6 - Recovery of Costs

The Costs of Operation and Maintenance and Capital Costs relating to the sewerage works shall be recovered in the following manner:

A connection fee shall be charged for each new connection or reconnection to the sewerage system. The revenues from these fees shall be used to offset capital costs. Should there be no capital costs to offset, then the fees shall be used to offset operation and maintenance costs. The fee shall be $500.00.

A fee shall be charged to dispose of cesspool and septic tank pumpings into the sewage works. The revenues from these fees shall be used to offset operation and maintenance costs. The fee shall be set by the Selectmen and shall be for no more than the reasonable costs associated with the accommodation of the waste at the sewage works.

The cost of operation and maintenance shall be entirely recovered from Sewer rents.

Fifty percent of Capital Costs shall be recovered from General Revenues and fifty percent shall be recovered from Sewer rents.

Any assessment levied for both the cost of operation and maintenance and capital costs shall show the cost for each separately.

SEC. 7 - Separate Account

A separate account shall be kept for the wastewater facilities so that an accurate record is maintained of revenue received by the facilities, and expenditures for operation, maintenance, and repair of the facilities.

SEC. 8 - Proper Operation and Maintenance of Facilities

The Selectmen may adopt such ordinances as may be required for proper use, operation and maintenance of the sewerage system, its pumping stations, treatment facility, and other appurtenances. Any person willfully violating such ordinances shall be guilty of a violation for each day of violation after written notice to desist has been given.

ARTICLE II

SEWER USER CHARGES

Sec. 1

Pursuant to ARTICLE I, a sewer user charge is hereby imposed upon every owner whose premises are served by the sanitary sewer system of the Town of Jaffrey (and from which premises sewage is being collected).

Sec. 2. Sewer rents shall be paid as follows:

a. Upon the metered consumption of water on premises connected with the sewerage system wherein the quantity of discharge is to be determined by meter readings of the water department, or

b. Upon non-metered premises or upon premises where there is both a metered public supply of water and a non-metered public supply of water and a non-metered private supply of water, the rate shall be determined by metering the use at the point of discharge.

c. Upon metered premises minimum rates shall apply. Upon non-metered premises, the minimum rate shall apply unless it appears such rate would be inequitable, when the charge shall be made by the execution of a contract between the owner and owners and the Selectmen. Minimum charges regardless of water use shall be based upon a rate of consumption of 5,000 gallons per quarter (3 months).

d. In all other instances where the foregoing sections of this ordinance cannot reasonably be applied, an adjustment as to sewer rents may be made by the execution of a contract between the owner and owners and the Selectmen not later than ninety (90) days after the sewer user charge was due and payable.

e. In the event a premise is permitted to discharge into the sewerage system wastes which, in the opinion of the Selectmen, contain toxic constituents, unduly high concentrations, or any substances which add to the normal costs of the sewage disposal plant or sewerage system, then the Selectmen may elect to establish special rates or charges based on the quantity of these circumstances, which rate of charge shall be established in such a manner to recover the normal and additional costs of operation and maintenance of the sewage disposal plant or sewerage system.

Sec. 3. In all instances for metering other than by water works department meters, the owner or owners of the premises shall furnish, at their expense, a meter acceptable to the Selectmen.

Sec. 4. Any owner may place on his premises, at his own expense a meter which shall be approved by the Selectmen, to measure the amount of water used on the premises which does not enter the sewerage system, and an adjustment of the rent shall be made in conformance with said metered use.

Sec. 5. The sewer user charges shall be computed as follows:

a. Metered Users

Sewer user charges will be based on a per gallon basis using water meter data to base water sewered from a user. The charges will be based upon the following standard relation:

SA = (TAA/TQ *QU

Where:

SA = Periodic Sewer User Charge assessment in dollars

TAA = Total periodic assessment anticipated in dollars

TQ = Total periodic volume of water metered to sewer users plus any estimated flow to unmetered users in gallons

*QU = Periodic water metered to the assessed user in gallons

b) Unmetered Users

Residential users without water meters will be assessed on a defined unit of service basis. The actual number of people residing at a particular location shall form the basis of the periodic sewer user charge assessment. The unit of service shall be based upon 75 gallons per person per day.

c) Exceptions

Users which contribute a small portion of metered water into the sanitary sewage system can request to base usage upon sewered water. An approved metering facility installed under the approval of the Town at the users expense shall be provided by the user. The rate for these users shall be based on the same standard relation (SA) as for other metered users.

d. Surcharges

Users permitted to discharge into the sewerage system wastes which, in the opinion of the Selectmen, contain toxic constituents, unduly high concentrations, or any substances which add to the normal cost of operation and maintenance shall be assessed a surcharge for these added costs.

If the strength of the wastewater collected from any user has five day biochemical oxygen demand (BOD_5) above 300 milligrams per liter or a suspended solids concentration above 300 milligrams per liter, the user will be assessed a surcharge. The amount of the surcharge will be a function of the additional operation and maintenance costs necessary to treat the stronger wastewater. These charges will be based upon the BOD_5 and suspended solids concentration of the wastewater sampled by the Town and as actually determined by an independent testing laboratory. The amount of the surcharge shall be as developed in Table 1.

Each user suspected of discharging such wastes will be evaluated for user surcharges by the Town. These tests, including any BOD_5 or suspended solid testing, would be performed by an independent testing laboratory. If the tests indicate the presence of such wastes, or a BOD_5 above 300mg/l., or a suspended solids concentration above 300 mg/l. the user shall pay for all tests and charges. If the tests indicate the absence of such wastes and BOD_5 and suspended solids concentrations are less than 300 mg/l. the Town shall pay for all testing.

The surcharge assessment shall be based upon the estimate that of the total operation and maintenance costs, 35 percent is attributable to flow, 40 percent is attributable to BOD_5, and 25 percent is attributable to suspended solids.

e) Minimum Charge

A minimum charge shall be established to yield annual revenues sufficient to recover one-third of the cost of operation and maintenance. To maintain a relatively constant minimum charge, it shall be rounded to the nearest whole and even dollar amount on an annual basis.

f) Example Calculation for Single Family Home:

Assume: Period is one year
There are 640 sewer users
TAA: The Total Periodic Assessment anticipated in dollars is $111,000 for the total of the operation and maintenance (O&M) costs; and is $75,000 for the capital costs (fifty percent of assumed $150,000 capital cost assessed to sewer users).

TABLE 1

TOWN OF JAFFREY, NEW HAMSPHIRE
SURCHARGE RATE DETERMINATION METHOD

1. Flow

$$FC = ((0.35 \times TAA) \div TQ)\ QU$$

2. BOD_5

$$BC = ((0.40 \times TAA) \div P)\ PBU$$

3. Suspended Solids

$$SC = ((0.25 \times TAA) \div SSC)\ PSU$$

4. $TSC = FC + BC + SC$

5. $SUR = TSC - SA$

WHERE for the period being assessed for:

FC = Flow component of surcharge assessment

TAA = Total Anticipated Assessments

TQ = Total volume of water metered to users
QU = Water metered to the surcharged user

BC = BOD_5 component of surcharge assessment

P = Total pounds of BOD_5 loading at Treatment Facility

PBU = Pounds of BOD_5 contributed by the surcharged user

SSC = Total pounds of suspended solids loading at Treatment Facility

PSU = Pounds of suspended solids contributed by the surcharged user

TSC = Total sewer user charge assessment for single surcharged user when using Surcharge Method

SA = Sewer user charge assessment to the surcharged user

SUR = Surcharge

SC = Suspended solids component of surcharge assessment

TQ: The Total Periodic Volume of water metered to sewer users plus any estimated flow to unmetered users is 70,000,000 gallons.

QU: Periodic water metered to the assessed user is 75 gallons per day from 4 occupants, or, 75 x 4 x 365 = 109,500 gallons.

Calculate:

Minimum charge to be 1/3 of O&M costs:

$111,000/3 = $37,000

$ 37,000/640 users = $57.81 per user

Round to minimum annual user charge of $58.00 (or quarterly charge of $14.50 for first 5,000 gallons)

Total O&M Assessment	= $111,000.00
Portion recoverd through Minimum charge = 640 x $58.00	= $ 37,120.00
TAA for Equation	= $ 73,880.00

$$\text{SA for O\&M} = \frac{\$73{,}880\ (109{,}500 - 20{,}000)}{70{,}000{,}000 - (640 \times 5{,}000 \times 4)} = \$\ 115.60$$

$$\text{SA for Capital} = \frac{\$75{,}000\ (109{,}500)}{70{,}000{,}000} = \$\ 117.32$$

Summary: For year period

Minimum Charge for first 20,000 gallons	= $ 58.00
Sewer User Charge for Balance of O&M Costs	= $ 115.60
Sewer User Charge for O&M Costs	= $ 173.60
Sewer User Charge for Capital Costs	= $ 117.32
Total Sewer User Charge	= $ 290.92

Information:

Sewer rate would be:

$14.50 for first 5,000 gallons per quarter year

$73,880/572,000* hundred gallons = 13¢/100 gallons for O&M

$75,000/700,000 hundred gallons = 11¢/100 gallons for capital

Total Sewer Rate = 24¢/100 gallons

*57,200,000 = 70,000,000 - (640 x 5,000 x 4)

Sec. 6. The following rules and regulations ahall shall apply to the collection of the sewer user charges:

a) Sewer user charges are due and payable thirty (30) days following the periodic assessment and mailing of the bill for same. Failure or neglect to pay the assessed sewer

user charges within this time shall create a lien upon the lands on account of which they are made, which shall continue until one year from October 1 following the assessment, and, in case an appeal has been taken and the assessment has been sustained in whole or in part upon such appeal, until the expiration of one year from such decision, whichever is later. Such assessments shall be subject to the interest and such other charges as are applicable to delinquent taxes.

b) Any owner whose premises are served by the sanitary sewer system of the Town of Jaffrey (and from which premises sewage is being collected) who knows of the service and collection and who does not receive a bill for the periodic assessment and does not notify in writing the Board of Selectmen within ninety (90) days of when the bill for the periodic assessment is usually and customarily mailed, shall be considered a theft of service in accordance with RSA 637:8.

c) Remittances by mail are at the risk of the sender and should be accompanied by a stamped envelope properly addressed, if return of receipt is desired.

d) In case of a meter stopping or failure to register, the quantity of water used shall be estimated as the average amount which ordinarily passes through the meter when the meter is in operation.

e) The sewer user charges shall be committed to the collector of taxes with a warrant under the hands of the Selectmen requiring the collector of taxes to collect them; and, the collector of taxes shall have the same rights and remedies and be subject to the same liabilities in relation thereto as in the collection of taxes.

f) If any error is made in any sewer user charge assessment it may be corrected by the Selectmen by making an abatement and a new assessment, or either, as the case may require; and the same lien rights, liabilities and remedies shall attach to the new assessment as to the original. If they neglect or refuse to do so, any person aggrieved may apply by petition to the superior court for relief at any time within 90 days after notice of the assessment, and not afterwards; and the court shall make such order thereon as justice may require.

Sec. 7. No person, firm or corporation shall do any act or commit any deed to obstruct or interfere with the proper measuring of water or discharge by meter.

Sec. 8. Any person, firm or corporation violating the provisions of Section 7 of the Ordinance, shall be guilty of a violation and shall be fined not more than $100.00 for each day for each violation to be found to exist, however, said penalty shall not be imposed until after written notice has been given to the person, firm or corporation charged with violating the provisions of said Section.

Sec. 9. This user charge system shall take precedence over agreements or contracts between the Town of Jaffrey and sewer users.

Sec. 10. If any provisions of this Ordinance or the application thereof, to any person, firm or corporation, or circumstances is held invalid, the remainder of the Ordinance and the application of such provisions to persons or circumstances other than those to which it is held invalid, shall not be affected thereby.

AMENDMENT

Delete proposed Article I, Sect. 3, para. b. and substitute the following:

b. **Capital Cost.** This cost will be incurred in two separate and distinct categories.

CATEGORY I shall include all costs associated with the increase of capacity, renovation and other improvements to the sewage system excluding extensions.

CATEGORY II capital costs shall include all future costs associated with the extension of the sewer system to include additional sewer users.

The term "Capital Costs" shall mean all costs associated with the planning, design, and construction including interest on any debt incurred to pay such costs.

Delete Article I, Sect. 6 next to last paragraph and substitute the following:

The portion of all Category I capital costs incurred and not covered by State, Federal or other aid shall be recovered from Sewer rents.

Category II Capital costs incurred are to be recovered in a manner set forth by the Selectmen prior to the borrowing of any money or commitment for such capital costs. In any event, these capital costs are not to be recovered from either current sewer users or from General Revenues unless specifically authorized by a future Town Meeting.

SPECIAL TOWN MEETING
JUNE 8, 1985

A special Town Meeting of the Town of Jaffrey, New Hampshire was held on Saturday, June 8, 1985, at the Ernest J. Pratt Auditorium, Conant High School, in said Town of Jaffrey at 10:00 A.M.

The hour of 10:00 A.M. having arrived, the Moderator, Bernard J.Hampsey Jr., called the meeting to order. The ballot boxes were opened, inspected, and found to be empty.

At 10:15 A.M.,requested by the Moderator to have a public hearing in reference to this Special Town Meeting to adopt a sewer charge system.

The Town Meeting recessed at 10:17 A.M. for the hearing. Representitives from Whitman and Howard assisted the Selectmen in the explaination of the reasons for this Town Meeting.

Speakers during the hearing were Selectmen Robert Chamberlain, Superintendent of Public Works Kenneth Saunders, Charles Smith of Whitman and Howard. Speakers from the floor were: Homer Sawtelle, Jack Orr, Kent Royce, Ted Magoon, Doctor Goodman, Tom Angeloro, Betty Royce, Marguarete Morin, Debbie Young, PHil Darling, Ken Whiton, Sylvia Hamilton,Sonja McNear, Herb Bixler, William Chamberlain, and Town Attorney David Tower.

A proposed Amendment by Jack Orr was discussed, the sole purpose of the Amendment was to remove catagory II of the Warrant Article.

At 11:56 A.M. it was moved by Wheeler Merriam to resume the Town Meeting.

At 11:57 A.M. Selectman Chamberlain moved that the town vote on the Warrant Article, and an Amendment was offered by Jack Orr. After discussion it was moved that the vote be taken by Yes/No ballot. 2,559 voters were registered at this time. Moderator Hampsey declared the Polls opened at 12:06 P.M., and declared the Polls closed at 12:26 P.M. The ballots were counted with the results being: Yes - 190 votes: No - 34 votes: The motion being carried.

At 12:34 P.M. Selectman Chamberlain moved that Article II be voted on. The Article was passed by voice vote at 12:33 P.M., with no one indicating the need for a ballot Yes/No vote.

The Town Meeting was adjorned by unanimous voice vote at 12:41 P.M.

Respectfully submitted,

Barry E. Sasner

TO: THE BOARD OF SELECTMEN, TOWN OF JAFFREY

FROM: TOWN MANAGER/ADMINISTRATIVE ASSISTANT STUDY COMMITTEE

SUBJECT: FINDINGS AND RECOMMENDATIONS OF THE COMMITTEE

ESTABLISHMENT OF THE COMMITTEE

By vote of the citizens of the Town of Jaffrey at its annual meeting in March, 1984, the following article, as amended, was approved by voice vote:

TO SEE IF THE TOWN WILL VOTE TO ESTABLISH A SELECT COMMITTEE TO INVESTIGATE, FOR REPORT AND RECOMMENDATION AT A REGULAR OR SPECIAL MEETING OF THE TOWN, ON THE ADVISABILITY OF EMPLOYING A TOWN MANAGER (AMENDED AT THE ANNUAL MEETING TO INCLUDE "OR AN ADMINISTRATIVE ASSISTANT") FOR JAFFREY; SAID COMMITTEE TO BE IN PLACE BY APRIL 15, 1984, APPOINTED AS FOLLOWS: ONE MEMBER BY THE CHAIRMAN OF THE BOARD OF SELECTMEN, ONE BY THE CHAIRMAN OF THE PLANNING BOARD, ONE BY THE CHAIRMAN OF THE ZONING BOARD OF ADJUSTMENT, ONE BY THE CHAIRMAN OF THE BUDGET COMMITTEE AND ONE BY THE TOWN MODERATOR; EXCEPTING, HOWEVER, THAT NO APPOINTEE MAY BE A PAID OFFICER OR EMPLOYEE OF THE TOWN OF JAFFREY; AND, MOREOVER, THAT THE RESOURCES AVAILABLE TO THS COMMITTEE SHALL INCLUDE, BUT NOT BE LIMITED TO, THE ASSISTANCE OF ALL TOWN EMPLOYEES; ACCESS TO WORKING PAPERS, TOWN RECORDS AND PREVIOUS REPORTS, INCLUDING DETAILED OPERATING COSTS; AND WITH THE RIGHT TO HOLD HEARINGS AND MEETINGS TO GAIN EXPRESSION OF PUBLIC SENTIMENT AND TO UNDERTAKE SUCH MEASURES AS THE COMMITTEE DEEMS NECESSARY, THE TOWN TO RAISE AND APPROPRIATE THE SUM OF $750 TO BE USED FOR EXPENSES FOR SAME.

The members of this Study Committee, so appointed, are William Arthur, John Belletete, Leo Bourque, Helen Griffin and Raymond Kruse. The Committee elected Raymond Kruse as its Chairman.

DEFINITION OF THE PROBLEM

Members of Committee conducted personal interviews with heads of essentially all departments of the government of the Town of Jaffrey. Their findings were an apparent lack of coordination and cooperation among the various departments, a lack of consolidated purchasing effort, a lack of communications among departments and a lack of effort to coordinate budgets and expenditures among departments. It was also found that there is a reluctance on the part of town citizens to undertake the responsibility of being a member of the Board of Selectmen because of the time required to fulfill such an obligation under the existing circumstances, i.e. the lack of a person in authority to act as coordinator among the departments and to administer the general governmental duties of the officers and employees of the Town.

ALTERNATIVES TO THE CURRENT TOWN GOVERNMENT ORGANIZATION

The Committee considered proposing a Town Manager, under RSA-37, an Administrative Assistant or a Town Administrator. Members of the Committee visited several towns in New Hampshire of comparable size which presently employ Town Managers or Administrative Assistants. Additionally, several other towns, less accessible to Jaffrey, were contacted by mail with a questionaire containing most of the information obtained during the personal visits. A recap of the findings as a result of these contacts is available upon request. The general concensus among these various town Selectmen was that they had made the proper choice, whether a Town Manager or an Administrative Assistant was employed therein.

In general, the following represents the concensus of the Committee regarding each of these alternatives.

TOWN OF JAFFREY
P. O. BOX 386
JAFFREY, NEW HAMPSHIRE 03452

TOWN MANAGER

1. A Town Manager, under RSA-37, must be elected by secret ballot in a voting booth at the Town's annual (or special) meeting.
2. The job description for a Town Manager under RSA-37 is described in RSA-37.
3. Although the job description for a Town Manager is established by RSA-37, the Board of Selectmen have the authority to hire or dismiss, for just cause, and to oversee the activities of such a person. The Board, however, does not have the authority to change the job description of a Town Manager under RSA-37.
4. The appropriation for the salary and expenses of a Town Manager are to be approved by the citizens of the Town at the Annual (or Special) Meeting (in Jaffrey's case at the Saturday Annual Meeting).

ADMINISTRATIVE ASSISTANT

1. A proposal for an Administrative Assistant would be voted on at the Saturday Town Meeting by voice vote or secret ballot.
2. The job description for an Administrative Assistant would be determined by the Board of Selectmen and could be changed by the Board of Selectmen at any time. The degree of authority granted to an Administrative Assistant is the responsilibity of the Board of Selectmen.
3. Generally an Administrative Assistant does not have the authority to hire or dismiss town employees, although this authority may be granted by the Board of Selectmen.

TOWN ADMINISTRATOR

1. A Town Adminstrator proposal, as conceived by the Study Committee, would follow the above description of an Administrative Assistant except that the job description of a Town Administrator would be established by and subject to change only by the citizens of the Town of Jaffrey at its Annual (or Special) Meeting.

TOWN OF JAFFREY
P. O BOX 386
JAFFREY, NEW HAMPSHIRE 03452

EXPRESSION OF SENTIMENT

Interviews with the various heads of department, with present and past members of the Board of Selectmen and input gained from two public hearings, appropriately advertised, indicated that the Town of Jaffrey needed a full-time professionally trained person, with a reasonable degree of town government experience, to serve as an administrator of the town government. Some expressed a preference for a Town Manager and some for an Adminstrative Assistant. The concept of a Town Administrator was presented subsequent to these interviews and public hearings.

RECOMMENDATION OF THE STUDY COMMITTEE

The Study Committee unanimously recommends that the Town of Jaffrey hire a Town Manager, under RSA-37, and that the proposal for hiring such an employee be presented to the citizens of the Town of Jaffrey by secret ballot, in a voting booth, for approval. The Committee also recommends that an appropriate article be included in the warrant for the Town Meeting, establishing funds for salary and expenses for a Town Manager.

CONSIDERATIONS GENERATING THE RECOMMENDATION

1. In 1975 a similar Study Committee met for the same purpose as this Study Committee and found that the hiring of a professionally trained person was not needed. In 1975 the budget of the Town of Jaffrey (excluding schools) was $563,000. The budget for 1984 is $1,600,000. Moreover, many legislative demands, many financial grants available and an increased population and business activity make the situation in 1984 substantially more complicated than that of 1975.

2. Having a professionally trained person frees the members of the Board of Selectmen of the daily administrative burden and allows them to concentrate on policy decisions, the duty for which they were elected.

3. A professionally trained person can keep up-to-date on legislature and regulations emanating from Concord, can become aware of all possibilities for grants or special concessions and can file all forms and documents required by Concord.

4. Selectmen in towns visited who have either a Town Manager or an Administrative Assistant spend, on the average, some 15 to 20 hours per month performing their duties, while in Jaffrey the Chairman of the Board of Selectmen is saddled with a full-time job and the other members of the Board of Selectmen state that they are not in a position to donate this amount of time when and if each becomes Chairman of the Board.

5. Having the job description of a Town Manager established and controlled by RSA-37 gives him the authority to perform his duties effectively. It also eliminates the possibility and perhaps the probability of having his duties changed from moment to moment by the Board of Selectmen, as would be the case with an Adminstrative Assistant.

6. The very title "Administrative Assistant" does not connote the authority needed to perform the administrative function.

7. Having the job description of a Town Administrator established by and subject to change only by vote at the Annual or Special Town Meeting could be cumbersome and subject to political pressures.

8. With an appropriate Town Manager on duty, the Committee feels there would be a much greater incentive for citizens of all walks of life to aspire to becoming a member of the Board of Selectmen. The Committee feels that the Board of Selectmen should be composed of people who would have sufficient time to conduct their own affairs concurrent with the demands of being a member of the Board of Selectmen.

9. Heads of all departments interviewed during this study agreed that a professionally trained and experienced person was needed and the concensus felt that such a person should be a Town Manager under RSA-37.

10. Having an administrator essentially full time at the town offices provides better accessibility for town citizens, who presently have to go looking for a Selectman to discuss problems or questions.

SUGGESTIONS TO THE BOARD OF SELECTMEN

On the assumption that the citizens of the Town of Jaffrey vote favorably on the proposal for a Town Manager, the Study Committee recommends:

1. The services of the New Hampshire Municipal Association be used for advertising for, accumulating names of and initial evaluation of applicants for the position of Town Manager, this information to be submitted to a Jaffrey Search Committee; said Search Committee, to be appointed by the Board of Selectmen, to screen the information submitted by the Municipal Association and to submit names of the most desirable candidates to the Board of Selectmen. The Study Committee recommends that at least one of its members, of its own selection, be appointed to the Search Committee.

2. The Board of Selectmen interview those persons recommended by the Search Committee and proceed with the hiring of the most qualified and available candidate.

3. The article in the warrant for the Annual Town Meeting propose $30,000 per year as a salary for the Town Manager, this figure to include all fringes (Social Security, medical insurance and other fringes available to town employees). The article should also include a sum for expenses for a Town Manager, such as travel to and from Concord, necessary Association memberships, etc., this amount to be determined by the Selectmen.

1985 HAS BEEN A VERY BUSY YEAR IN OUR OFFICE, INCOME FROM MOTOR VEHICLE REGISTRATIONS HAS INCREASED IN THE LAST YEAR BY 27% AND THE NUMBER OF REGISTRATIONS BY 12%. THE INFLUX OF NEW RESIDENTS AND BUSINESS HAS ADDED TO THE FLURRY OF ACTIVITY THROUGHOUT THE YEAR. WE CONTINUE TO ATTEMPT TO

STREAMLINE OUR SERVICES FOR THE RESIDENTS OF JAFFREY. I WILL CONTINUE TO ENROLL IN THE MOTOR VEHICLE DEPARTMENT'S VOLUNTARY PROGRAM AS A MUNICIPAL AGENT,AND WILL OFFER ANY SERVICES THAT THE STATE DEEMS POSSIBLE. THIS LAST YEAR I SAVED 2072 RESIDENTS FROM HAVING TO DRIVE TO KEENE FOR RENEWAL STICKERS OR 5 DAY PLATES. THIS SERVICE HAS BEEN WELL RECEIVED BY THE RESIDENTS AND IT IS HOPED THAT IT CAN BE EXPANDED IN THE COMING YEAR.

I WOULD LIKE TO EXPRESS MY GRATITUDE TO THE OTHER DEPARTMENTS IN THE TOWN, FOR THEIR COOPERATION AND ASSISTANCE , AND TO THE COOPERATION OF THE SELECTMEN IN ENABLING THE TOWN CLERK'S OFFICE TO FUNCTION PROPERLY.

A SPECIAL THANKS TO MY UNPAID ASSISTANTS, DEPUTY TOWN CLERK LISA SIROIS AND MY WIFE, PATRICIA SASNER, FOR THE VAST AMOUNT OF ASSISTANCE THROUGHOUT THE YEAR.

EDWARDS & Co
ACCOUNTANTS & AUDITORS
Since 1902

July 12, 1985

Board of Selectmen
Town of Jaffrey
Jaffrey, New Hampshire 03452

Gentlemen:

We have examined the financial statements of the various funds and account groups of the Town of Jaffrey for the year ended December 31, 1984, and have issued our report thereon dated July 12, 1985. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing Antirecession Fiscal Assistance Acts and regulations as required by Sections II.C.3 and III.C.3 of the Audit Guide and standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients issued by the Office of Revenue Sharing, U.S. Department of the Treasury and (2) compared the data on Bureau of Census Form RS-8 with the audited records of the Town of Jaffrey as required by Section II.C.4 of the "Guide".

Based on the procedures discussed in the second paragraph, we noted no instance of non-compliance with the regulations and no material differences between the data on Bureau of Census Form RS-8 and the records of the Town of Jaffrey for the year ended December 31, 1984.

Respectfully submitted,

T C Edwards & Co.

REPORT OF THE JAFFREY PUBLIC LIBRARY TRUSTEES

The "Mill on Main Street" and the purchase of the land directly behind the library were the two major accomplishments of the Library in 1985. The Friends of the Library purchased the land and deeded it to the Town for future library use.

April was the month the Selectmen proclaimed for the project, "The Mill on Main Street." It was a celebration of the varied industries of yesterday and today. The project was funded by the New Hampshire Council for the Humanities. Cynthia E. Hamilton, librarian, organized and supervised the program. Through the courtesy of the Bean family, the Jaffrey Mills became headquarters for the Jaffrey program. Twenty-five industries displayed exhibits. Friends of the Library and volunteers graciously served as hosts and hostesses. Overwhelming attendance (1300) and interest in the program made it highly successful. Exhibits were also displayed in the library and Monadnock Bank. The Historical Society co-sponsored with the library a slide and lecture program on New Hampshire Mills as Art by Marion Cannon Schesinger. The Friends of the Library sponsored a film, "Emigration," produced by Gary Samson, a film maker and member of media services of the University of New Hampshire. It took place in the Little Theater at Conant High School.

Since 1896 when the library was built with a bequest from Susan B. Clay, a resident of Jaffrey, there has been only one addition, courtesy of the D.D. Bean family in 1960, to the present building. We have outgrown our present building. We are required by law to meet state requirements for fire exits and access for the handicapped. Traffic areas, staff work space, space for reference, coat areas and stack areas are all contributing factors to the need for an addition to our present building. Preliminary plans for a future addition are currently being studied.

The library has received many memorial gifts during the year. The Friends of the Library sponsored a book sale this summer. They raised money for the preservation of the Willa Cather letter to Harrison Blaine which is in the library's possession. The Little Red Wagon made its annual summer appearance. The summer reading program was based on the theme "Save the Dragons." Different events were highlighted each week. Two hundred twenty-one children read six or more books. At a party held on August 16th, they were each awarded a certificate. Three thousand nine hundred thirty-nine books were borrowed during the eight week program; keeping our delighted children's librarian, Jeanne Burr, very busy. Without a doubt, this was our most successful reading program.

Friends, staff and Trustees represented the library at state meetings. Lisa Bearce attended two public library technique courses at Keene State.

At the Friends annual meeting, a check for $1600.00 was presented to the library. The money was used to purchase a typewriter, shelving for the children's department, new puppets and a complete set of Beatrix Potter books.

The Trustees are especially grateful to the invaluable Friends of the Library, donors, volunteers and everyone who has given time, shown interest and support in the Jaffrey Public Library. We thank you.

Respectfully submitted,

REPORT OF THE BOARD OF ADJUSTMENT

Applications to the Jaffrey Board of Adjustment for appeal are normally scheduled for public hearing on the first Tuesday of each month at 7:30 p.m. A member of the Board will meet with any applicant requiring assistance the Tuesday evening two weeks prior to the first Tuesday of the following month in the Town Office beginning at 5:30 p.m. to render any necessary assistance in completing your application.

This past year 47 applications were submitted to the Board of Adjustment for review. Of the applications submitted 34 were granted, many of which included specific restrictions to the proposed plan. Of the 13 remaining 11 were denied 1 was withdrawn and 1 case was not heard because the applicant failed to appear. One case was appealed in which the Board reaffirmed a prior decision.

Respectfully Submitted,

Frank Sterling, Jr., Chairman
Jaffrey Board of Adjustment

REPORT OF THE JAFFREY CONSERVATION COMMISSION

The year began on a sad note with the passing of Armand DelRossi, a concerned and dedicated member. Two new members, Gilbert Emery and Ronald Reid were appointed, replacing Armand DelRossi (deceased) and Bruce Pelletier (term expired)

As in the past the majority of our work involved reviewing and making recommendations, to the Jaffrey Board of Adjustment concerning variances and exceptions to existing Jaffrey Wetland Regulations and also observing, evaluating and making recommendations to the State Wetland Board concerning Dredge and Fill applications in the Town of Jaffrey.

We would like to thank the people who chose to read and sign the Commissions attachment (begun last year), to the State Dredge and Fill Permit, as it makes our job more complete.

Again this past year we were able to send two Jaffrey students to Conservation Camp (organized by The Society For The Protection of New Hampshire Forests); thanks to the continued financial support from D.D.Bean and The Monadnock Bank.

The Commission has been taking part in the Tri Town Ground water protection program and is in the process of evaluating the possibility of a combination Wetland and Groundwater Study in the Town of Jaffrey.

The Jaffrey Conservation Commission meets at the Town Office Building at 7:00 p.m. on the last Tuesday of every month. We appreciate the understanding and cooperation shown to us by the community.

JAFFREY MUNICIPAL AIRPORT - AIRPORT MANAGER'S REPORT 1985

Dear Citizens of Jaffrey,

In 1985 the Jaffrey Municipal Airport has continued to provide transportation and emergency services, as needed, to the community at large. Auxiliary services included assistance, information and weather records. The airport functions as an important "gateway" to Jaffrey and the Monadnock Region for many people. As usual we welcome the comments, suggestions, and help of anyone interested in bettering the services or safety of the Jaffrey Airport.

Projects accomplished or begun in 1985 include: Winter maintenance; Routine patching and maintenance of the paved areas; Mowing and care of the unpaved areas; Additional hot top shiming on the runway and aprons; Trees cut and/or topped in the approach to runway 16; Extensive work accomplished, with private funding, to improve the side and end approach clearances to runway 34, including the cutting of brush and "grubbing" these areas to eliminate solid and growing obstructions.

A very effective "J A F F R E Y" airmarker was laid out and painted by the Northern New England Chapter of 99"s, an organization of licensed women pilots. Well done ladies!

The Jaffrey Chamber of Commerce has organized an Airport Committee to support and spread an awareness of airport matters. Also, the Monadnock Pilots Association (MPA) was organized in the Keene/Jaffrey area.

Several private citizens have come forward with donations and/or offers of help for the improvement of our airport facilities. This is most gratifying as it shows the sense of pride and commitment shared by these friends.

Some things which still need to be accomplished or finished: Continue to upgrade the approaches and side clearances; Re-establish complete runway markings; Complete the installation of the airport rotating beacon and runway end strobes; Additional shimming along runway and complete the sealcoat originally planned for 1985; Upgrade runway lighting; Acquire roller, a brush-hone drag, and storage for dry unsalted sand.

Continue to seek re-establishment of the JMA in the National Airport System Plan. Foster increased cooperation and understanding through active participation with citizens groups, industry, media, and public officials. Continued action for improvement of the safety aspects of our runway and to bring it up to recommended standards with such improvements as approach clearing, obstruction removal, overruns, displaced thresholds, better marking and lighting, and completion of a full length taxiway.

Sincerely yours,

Harvey N. Sawyer

Harvey N. Sawyer, Airport Manager
Town of Jaffrey

REPORT OF THE JAFFREY HISTORIC DISTRICT COMMISSION

During 1985 the Jaffrey Historic District Commission met on ten occasions, hearing five applications from residents and one on behalf of the Town. Of the former, two were for changes of use, and one each for an addition to a residence, a reconstruction of an addition and a physical change to a barn. All were approved or approved with conditions. As a result of one hearing a Commission recommendation was made to the Town Meeting on a warrant article relating to a portion of Main Street within the District.

In July the Annual District-Wide Meeting was held in the Meeting House and was well-attended.

The Commission organized a community work project to repaint the cast iron fence at the Cutter Cemetery on Harkness Road. The Department of Public Works supplied paint and the work was accomplished over several Saturday mornings.

In 1985 the Commission for the first time received a Town appropriation. Of the $100 appropriated, $98.62 was expended. At the same time an application fee was instituted which brought to the Town $15, for a net expenditure of $83.62.

During the year Commission members attended several meetings or workshops of the New Hampshire Association of Historic District Commissions and The Preservation Institute for the Building Crafts.

In the fall Mr Joseph Crocker retired from the Commission as the representative of the Planning Board after serving well and faithfully for many years. The Commission is grateful for Joe's contributions over that time. The term of Mrs Forrest C. Ames came to an end in March. Hester was a diligent and thoughtful member and her participation will be missed. The Commission welcomed as it s newest member Nora Bryant who from the start has demonstrated interest and enthusiasm for her new duties.

All residents of the District are reminded that the Commission meets on the first Thursday of each month at 7:30 P.M. in the District Courtroom. Questions about the Commission and its procedures may be directed to and application forms obtained from the Chairman or the Secretary.

Respectfully submitted,

Robert B. Stephenson, Secretary

REPORT OF THE JAFFREY PLANNING BOARD

Activities for 1985 include the following:

Approved 15 subdivisions, totaling 45 new building lots

Approved 13 site plans, mostly for industrial and commercial construction, but including three plans totaling 13 apartment units.

Approved one request for excavation and removal of gravel.

At the request of the Selectmen, reviewed and recommended approval of one request for a building permit on a Class VI road.

In November, the Board granted to Forest Park Estates (mobile home park) conditional approval for 33 new mobile home lots. This approval is conditional on applicant's meeting several requirements concerning water supply and erosion control.

The Board developed and conducted public hearings on amendment to the Jaffrey Mobile Home Park Ordinance and on two new provisions for the Land Use Plan; An Occupancy Permit and a Sign Ordinance. These three changes will be presented to the voters by ballot at the annual Town Meeting.

As was stated in last year's report, the Board feels that the Master Plan should be reviewed and updated. Although we had wanted to start the review when definitive Flood Plain Maps were received, the Board now feels that the work should proceed in 1986, whether these maps are received or not. The first step in the updating is to identify the changes in land use which have taken place since the plan was adopted. All residential construction during the past five years has been plotted on a land use map. The Board reports that the population projections made in 1980 seem to be accurate. Population estimates from the Office of State Planning show Jaffrey's population to be at or slightly below the projections made in 1980.

The Planning Board meets at the Town Office Building at 7:30 p.m., on the second Tuesday of each month, unless holidays or the nature of the workload require special meetings or a change of date. The Board hears no new testimony after 10:30 p.m. and adjourns no later than 11:00 p.m. Nevertheless, time is always set aside at the beginning of each meeting for persons having questions or wishing to know how to proceed. In this way, the residents of Jaffrey can discuss matters as early in the process as possible, and in an informal way. No appointment is necessary, just call the chairman or secretary, or appear at a meeting.

We had several personnel changes this year. Bruce Feltus (member) and Donald Stewart (alternate) resigned. Robert Lawn and Kent Royce were appointed as alternate members. Charlotte McLaughlin was appointed non-voting clerk.

Again, it has been a busy year, and it looks as if next year will be even busier. I wish to thank each member for the dedication and the conscientious effort shown throughout the year.

Respectfully submitted,

Robert W. Potter, Jr.,
Chairman

REPORT OF THE JAFFREY RECREATION DEPARTMENT

1985 was a year of change and growth for the Recreation Department. Despite staff changes, the department, its programs and operations continue to run smoothly, and has established great progress in various areas. Restructuring our goals has improved our operation and quality of programs offered. Our major accomplishments for the past year are highlighted below:

1. We developed and improved our summer staff training program to provide qualified lifeguards and child care personnel for the beaches and day camps.

2. Working with the Jaffrey Friends of Recreation, we repaired and added new playground equipment to Humiston Park. The Friends totaled over $4000.00 of donations and countless hours of service to the Town of Jaffrey. This dedicated organization has assisted the Recreation Department behind the scenes with several programs, while conducted the popular rollerskating and other activities, as a service to the youth of Jaffrey. To highlight the donations, the following activities would not be successful without their assistance: Youth Basketball, Youth Soccer, Jaffrey Christmas, Jaffrey Halloween, The Recreation Department's afterschool program, and summer track and field, as well as safety and office equipment.

3. Thanks to a donation from the Jaffrey-Rindge Softball Association, we were able to make improvements to the softball field at Humiston Park. The work was accomplished by the Parks and Commons Dept.

4. To communicate and cooperate with local businesses, organizations and individuals, was a successful goal. Many assisted us with unselfish service and donations for programs, activities, and special events.

5. The Recreation Committee has further revised, updated and is implementing a 5 year facility maintenance and improvement plan, coinciding with the Master Plan of the town, which includes the town beaches, Humiston Park facility, outside athletic facilities, and indoor recreational facilities.

6. The Recreation Committee and the Jaffrey-Rindge School Board has continued to work together, allowing the extended use of the school facilities by community groups and recreational activities.

7. The installation of a new chain-link backstop for the softball field at Humiston Park. The work was completed by Monadnock Fence.

At this time, a special recognition is given to the following for their unselfish support of recreation activities this past year: Jaffrey Friends of Recreation, Lion's Club, American Legion and Auxiliary, Jaffrey Grange, Chamber of Commerce, Women's Club, Franklin Pierce College, the Jaffrey

Library, Jaffrey Police, Fire and Public Works Departments, the Jaffrey-Rindge School District personnel, the Town Office Staff, and several local Busineses, Industries, Merchants and individuals within our community.

The Recreation Committee and staff wish to thank the many dedicated individuals and organizations who supported recreation programs and special events this past year, by coaching, providing transportation, supervising and just plain caring. Much of the volunteerism goes without notice or recognition, however in 1985 close to 350 individuals donated over 3200 man-hours of time to recreation supervision. They have saved the Town of Jaffrey nearly $11,000.00 if paid only minimum wage; truely a valuable asset for our town.

Our 1985 programming efforts focused on continued evaluation and improvements to the quality of activities, offering well-balance programs for all ages, and creating new or dropping programs, as determined by need and demand for services. A listing of the types and numbers of programs offered along with participation figures, may be found below:

Open Programs*	5	3621
TOTAL:	109	12,290

* The total figure for Open Programs reflects the number of individuals who participate in each session. It does not show the number of different individuals who participate each session. The Recreation Department developed many more programs than shown in these figures, but they were cancelled due to lack of participants.

The Recreation Committee is most pleased with our accomplishments this year. Our plans and goals are similar for 1986, to that of 1985, yet will offer some new challenges also. Among them are:

1. Further upgrading of the town beach facilities.

2. Continue improvements and maintenance of the Humiston Field facility.

3. Provide service to the community by expanding the after-school program activities, vacation time programmming, senior citizen activities and community education programming.

4. Further develop efficient marketing procedures for effective communication to the community residents for recreation activities.

5. Continue the implementation of a risk management policy, developed by the Recreation Department, in conjunction with the Town Selectmen.

6. Improve volunteer and staff training and development, to provide well-qualified personnel and better programming and instruction.

7. Maintain ourselves as a provider of support services by communicating and working together with other programs and community organizations.

Although thses goals are ambitious, we will attempt to accomplish them to the best of our abilities, and provide service and recreational activities to the town.

Tax Collector

****

On April 1, 1986, new provisions of RSA 79, the timber yield tax law, go into effect. The imporant change requires the landowner to pay the tax instead of the owner of timber at the time of cutting. This change in the law is expected to be helpful to town officials when collecting the timber taxes due.
